A Book of Unusual Gifts

In keeping with our tradition that gifts must be distinctive and unusual, we have gone far afield in our quest. The result is the most delightful array of gifts which we have collected in many years.

For those who cannot make a personal selection, this book brings hundreds of these fascinating gifts right to the home, where you can enjoy the thrill of shopping in one of New York's most famous stores without moving from your arm-chair! We do, however, cordially invite you to come and see the thousands of other gifts in our shop—gifts that reflect 'personality' and 'individuality'—and which are not likely to be duplicated.

Remember—all purchases are attractively wrapped. If special elaborate gift wrapping is desired there will be a charge of 35 cents for each article.

We prepay shipping charges to points within 150 miles of New York City.

While we have provided a large stock we cannot guarantee prices indefinitely, due to market conditions.
